

Local 43 - Sub Committee Anti - P.D.

The committee met at 3:00 at the hotel - Paris, Chai, Thelma Sanders - There was in a case. Discussed in length the 14 day men and some of the committee about pictures of the men being served on their signs in long term case which we will pass on to the standing committee. As a committee we are going to be on the look-out and try to get pictures of these men, which include hand contact to mental research. Thelma has a long report from Standing committee as we will let her talk over.
